First, as in all things, we give all honor, praise and gratitude to the Omnipotent, Omniscient Creator of the heavens and the Earth, Yah Yahwah. We thank Him for His Holy Spirit, for awakening us to Everlasting Life and for giving us this blessed opportunity to work for Him and on His behalf.

B'raysheet Digital Currency: Purpose

This coin was born out of a sincere desire to help the faithful, righteous and dedicated Saints of the Kingdom of Yah financially in this current age of digital currencies. B'raysheet will make it possible for us to buy and sell in our midst with a coin that we made and that we control. As B'raysheet gains value and wider acceptance on the general cryptocurrency landscape, the Saints will benefit as a result of being the earliest recipients of the coin.
